WHO WE ARE

Alberto Fucci and Claudia De Luca are two beauty professionals who in 2013 created "A & C Fucci Hair". A salon expression of style and elegance, a place to go not only to cut and style the hair, but a relational space to visit in order to live a rewarding experience made of hospitality, attention, wellness rituals.

Our idea of "Salon Concept" is summarized in the phrase with which customers are welcomed at the reception "Your hair ... Our Passion." Supported by a highly specialized team, Alberto and Claudia are coiffure artists, who enhance and enhance the uniqueness of the individual, aware that hair is an instrument of attraction, vehicle of a message, of a state of mind, of a wish.
